

## Please Join Us!

Please join the New York Metropolitan Transportation Council (NYMTC) at the first in a series of community planning workshops to help plan the future of Route 59 in Airmont, Ramapo, Monsey, and Spring Valley.

### Community Planning Workshop #1

**Wednesday, March 13, 2019**  
**7:00 pm to 9:00 pm**

**Village of Airmont  
Community Room**  
251 Cherry Lane,  
Airmont, NY 10952

## Your Voice Counts!

NYMTC needs your help to envision changes and improvements in the Route 59 transportation corridor. Your input is critical in this initial and future workshops, which will explore current uses and issues with Route 59. Later workshops will explore land use, streetscape, and transportation options for creating a safe, modern transportation corridor for travelers and for the surrounding communities.

Four community planning workshops will be held throughout the study area. Each workshop will build on your input to help refine ideas that you think will improve the corridor. Additional events will be held at various community gatherings and meetings throughout the study area. You can even provide comments online at [www.Route59Study.org](http://www.Route59Study.org) to tell us how you envision Route 59 in the future!

## About the Study

The area surrounding Route 59 includes a mix of land uses, with large retail centers as well as commercial and residential sites and a significant pedestrian presence. The travel markets that move within and through the area are complex, being a mixture of regional and local person and goods movement and modes including truck, bus, car, pedestrian and bicycle. The Route 59 Area Transportation & Land Use Study will identify and evaluate transportation and development issues and future scenarios in the Route 59 corridor. Please let us know you will be attending at [www.Route59Study.org](http://www.Route59Study.org) or contact us at [RSVP@Route59Study.org](mailto:RSVP@Route59Study.org). Please watch for future announcements and visit the project website [www.Route59Study.org](http://www.Route59Study.org) to provide input and get additional information.

## Your Opinion Matters!

**NYMTC is inviting those who use Route 59, those who live in and around the corridor, property and business owners, community groups, elected officials, and other public representatives to help develop the future vision of Route 59 and its communities. You can learn more about the Route 59 Area Transportation & Land Use Study\* by visiting [www.Route59Study.org](http://www.Route59Study.org).**
